

**Orange County Public Schools
Job Description**

SENIOR ADMINISTRATOR, TRANSPORTATION SERVICES

QUALIFICATIONS:

1. Bachelor's degree from an accredited institution in Business Management, Public Administration or related field; or any equivalent combination of related education, training and/or experience, which provides the required knowledge, skills, and abilities to perform the essential job functions.
2. Five (5) years of progressive work experience in management level positions making data driven decisions, to include two (2) years demonstrated experience supervising, training, leading, and motivating teams.
3. Five (5) years of experience in transportation management preferred.
4. Experiencing in managing multiple facility operations for 1000+ vehicles preferred.
5. Leadership and training experience with management level subordinates preferred.

TERMS OF EMPLOYMENT:

Non-bargaining unit compensation plan, twelve months. May have some operational requirements to work beyond a normal business day. May be required to serve as a Disaster Incident Management Team (DIMIT) member during a disaster or emergency caused by severe weather, fires, power failures, pandemic, or event challenging our security. The incumbent is considered to be "essential personnel" during an emergency and can be subject to being held over or called back to a district location at all times.

KNOWLEDGE, SKILLS AND ABILITIES:

Knowledge of and ability to read, interpret and enforce federal, state and local laws and policies governing the transportation of students. Knowledge of organization and management theory and practice. Knowledge and commitment to decentralized data driven decision-making and accountability for results. Ability to work and communicate effectively with people to focus resources toward the achievement of district expected results. Strong oral and written communication skills. Knowledge of and ability to employ successful management practices and provide organizational leadership.

REPORTS TO:
