

You have Florida's Top Inspector and Technician!!

State level knowledge and skills competition will be held in conjunction with the 2024 FAPT Technicians Summer Workshop. Space is limited to ten (10) competitors per category of inspector and technician. Registrations will be taken on a first come-first serve basis. Districts may send one competitor for each category. Please list "alternates" per category. If space is available, district alternates will be contacted and will be permitted to send more than one per category.

There is no registration fee!

Districts are encouraged (but not required) to conduct local competitions in order to qualify their competitors for the state event. Local school districts can use the state requirements for Safety Inspector Certification and Train the Trainer requirements as well as FAPT Technician Certifications to prepare for the competition.

Lunch is included for all registered competitors. Lunch will be served from 12:00 noon – 1:00 pm. Travel expenses will be the competitor and/or school district's responsibility.
